

Our Paschal Journey 2023

The Sundays of Lent

Feb. 26

Treasure In Heaven (Matthew 6:19-33)

Practice: Let go of what will hold you down during this journey. Empty yourself from the love of the world to allow Christ to enter, and fill your cup.

Mar. 5

Temptation (Matthew 4:1-11)

Practice: Pick a verse from the Bible, and recite it whenever you are tempted to fall back toward what you have left behind.

Mar. 12

Prodigal Son (Luke 15:11-32)

Practice: Form the habit of continual renewal and speedy recovery after falling. Quickly follow up with your father of confession, and get accustomed to not letting sins linger for very long.

Mar. 19

Samaritan Woman (John 4:1-42)

Practice: Work toward sharing the love and joy of Christ with others through acts of mercy and almsgiving. Find those around you who are needy, and show them compassion so that God may continue to show compassion on us.

Mar. 26

The Paralytic Man (John 5:1-18)

Practice: Find a spiritual friend to support and be supported by; hold each other accountable spiritually. There truly is no friendship that can compare to spiritual friendship.

Apr. 2

The Man Born Blind (John 9:1-41)

Practice: As we practice repentance and purification of our hearts, let us go further by sharpening our senses so that we may see clearly and choose life over death; wisdom over blindness.

Apr. 9

Entry Into Jerusalem

(Matthew 21:1-17, Mark 11:1-11, Luke 19:29-48, John 12:12-19)

Practice: Ask God to complete this Great Fast as a triumphant journey toward letting go of what has been holding you back, so that we can fully live as one with Him in His crucifixion and in His glorious Resurrection.

Apr. 16

Resurrection (John 20:1-18)

Practice: Often times we are closest to God in tribulations and in times of need, but we quickly drift away once we are satisfied. Utilize this time to learn how to reach the heights of love; form a deeper relationship with Him after the return.
